

Group project of Scandinavian Weavers Study Group December 2022

Telemarksteppe reconstructed by Norma Hardang, Sauland - reinterpreted as a runner

Warp - 16/2 unbleached linen, 50/10 reed = approx. 12 dent reed, 1/2=1 per heddle and 2 per dent, 346 ends = approx. 14.5 inches

Weft - weaver's choice for pattern shots (prydvevgarn in pattern), 16/1 unbleached linen for ground shots
